Print of the Month (October) - "CLOUDS"

Photographer - Dennis Hurd

Note from the President

We have gotten off to a great start these last few months: many participating in CACCA, several new members, many shooting challenges, i.e. trees, water rafting, lessons on composition, street photography, and landscaping. Boy, did we have fun!

We are looking forward to many exciting events for the New Year.

The print committee wants more of us to participate in the black and white category. Come on we can do it.....

Finally, welcome to our new members: Kyya Brown, Dennis Hurd, Lauren Snowden-Ingram, Michael Hayden & Carol Neal.

Looking forward to seeing everyone at our Christmas Party on Friday December 13, 2019.

Happy Holidays to You & Your Family.

THANK YOU!

There are not enough ways to say Thank you - for All the prayers, words of condolences and acts of kindness received during the difficult time after the passing of my Dad. I am so thankful and blessed to be part of such an awesome and thoughtful group of people. I and my family will never forget!

*With Much Love
Bonnie DuBose*

 Delores Jackson - 29th

Ken Mitchell - 2nd
 Amedd Little - 14th
 Yvonne Cary-Carter - 20th
 Arlene McFadden - 23rd
 Kathleen Sims - 26th

DECEMBER

Panel Discussion at the Incubator

Photography by Fred Lott

On Tuesday, November 19, we were honored to have a panel discussion from three (3) very distinguished and talented members of Washington Park Camera Club: Dr. Harvey Cobb, Philip Thomas and Ken Mitchell.

Harvey started off speaking on Composition and the different aspects involved with composing a photograph, Ken followed, going over the points concerning Landscape photography and Philip finished the trio up going over/defining Street Photography.

Each provided an enlighten lecture which included slides and very helpful hints/insights to capturing that special moment in time through photography,

I believe everyone in attendance - left inspired and definitely a little more knowledgeable about one if not all the subjects covered.

Thanks again to our very own - Philip, Harvey and Ken - great job!
