Note from the President

Happy New Year!
Welcome to 2021

Two Thousand and twenty was a year. Many things changed the world and changed our club. We cherish our memories of members; Les Howard, Paul Carson, Michael Carter and Vanessa Alsup. They will truly be missed. This new year holds unseen events, but we are ‘Washington Park Camera Club Strong”. I am asking that we all come out to continue to make our club the best one on the south side. Our program committee has been working hard to plan events for our club so join in and you just might learn something new. Your participating is vital to our club working through this trying year.

In closing, look for a few new things coming down the pipeline. Thanks to the continued good work our program committee chairs are doing.

Looking forward to seeing you on Tuesdays at 7:00 pm except on competition Tuesdays which will be at 6:45 pm.

Happy New Year &
Stay Safe!

Roslyn J. Armour

Share Your Photography Journey

Do you have a photography story or tip? WPCC Newsletter welcomes articles sharing your photography experiences, equipment recommendations and educational material reviews. Please submit articles and your contact information to newsletter@washingtonparkcameraclub.org
